

RV ODD COUPLE

Freedom, Independence & Adventure
Because Life is So Short

ABOUT US

Hi, we're John & Mercedes. We traded in our conventional home and sold most our possessions to RV full time with our child & dog. Friends & Family think we're crazy.

But we're not the only crazy ones. Recreational vehicle travel is taking the country by storm as more and more people want to release the shackles of what life is "supposed" to look.

The RV world has a unique language and there is tons to learn before you can full time RV. Join us & the RV Odd Squad (our subscribers) as we share full time RV living truths & adventures.
